

Client - One of the top 5 accountancy firms.

Brief:

The client wanted to reward their newly qualified graduates with a special day out as a thank you for all the hard work they had put in to pass their exams to become fully qualified Chartered Accountants. The client wanted this to be something very special and a day that would be remembered for a long time.

The Solution.

The Wright Event decided that a stunning venue with suitable outdoor space was needed and immediately thought of Penshurst Place. The facilities at Penshurst Place were perfect for a group of 160 people to take part in a full day multi activity event.

Delegates arrived by coach for tea, coffee and bacon butties that were taken in the magnificent 14th Century Barons Hall. After breakfast the group divided into their 20 teams and after a short health and safety briefing, were escorted out to the activity field to take part in a multi activity event where they would rotate round five different activities, Clay Pigeon Shooting, Quad Safari, Segways, Traditional Longbows and Apache Rally Cars, completing three activities before lunch and the remaining two after lunch. Lunch was a two course BBQ taken in the courtyard.

Teams were scored on all of the activities and once all had been completed, the scores were totaled and the results were announced back at the courtyard where guests were enjoying afternoon tea and cakes. Prizes were awarded to each member of the winning team
