Why Penshurst is The Place

Penshurst Place is a privately-owned, historic house of medieval origin, nestled in Tudor gardens, providing a stunning location for a wide spectrum of events.

Located in the charming village of Penshurst, in countryside at the centre of the Weald of Kent, it provides a perfect escape from the hustle and bustle of city life. The house is only 32 miles from Central London with easy links to transport hubs in the South-East of England.

In a history spanning almost seven centuries, Penshurst Place has been the setting for many a sumptuous event throughout its history. Kings, Queens, noblemen, great soldiers and poets have all dined within the walls of the medieval hall, which has been described as 'one of the world's grandest rooms'. Penshurst Place & Gardens has been the home of the Sidney family for over 465 years and has played host to guests from all over the world. Today, it is also available for private hire, offering a majestic backdrop for your next event.

The rooms for hire are within the defended manor house, which dates back to 1341, and comprises the awe-inspiring Baron's Hall, the charming Sunderland Room and the cosy Buttery. For outside events, the parkland boasts the ultimate arena for outdoor pursuits and activity days.

Our long tradition of hospitality continues with our caterers, Kudos, who pride themselves on producing innovative dishes using the finest local ingredients.

The Baron's Hall

The medieval Baron's Hall is an impressive space at the heart of Penshurst Place, particularly suited to dinners, banquets, parties and receptions. Completed in 1341, the Baron's Hall is the main feature of the original house and one of the best preserved examples of gothic, domestic architecture in England. Its stunning 18-metre-high chestnut-beamed roof spans a space steeped in history and elegance, giving a sense of occasion and feeling of grandeur.

The Baron's Hall can be hired privately, providing an ideal backdrop for events with character and class.

The hall has a rare, octagonal central hearth which can be lit where guest numbers allow, creating a unique focal point. The hall is subtly lit and candelabra at each window create an air of timeless quality. The space is overlooked by the Minstrels' Gallery - the perfect vantage point to over-see the revelry below and a dance-floor can be laid with space for DJs or musicians.

Please note that the Baron's Hall is open to the public on a daily basis from April to October inclusive, from 12 noon to 4pm and therefore is available for evening events only during these months. From mid-October to mid-May, a marquee is provided for evening entertainment.

The Sunderland Room

The Sunderland Room is a charming room, ideal for meetings, lunches, formal dinners and office Christmas dining.

The room is part of the original House and is the medieval east solar. It was originally used for dignitaries retiring at the end of the evening. During the 17th century it became the private lodgings of Lady Dorothy Sidney, the Countess of Sunderland, after which the room is named.

Today fine portraits from the family collection hang on the part-panelled and part-sandstone walls and the room has a light but mellow atmosphere, enhanced by a fire in the winter.

The room can be partitioned by a heavy curtain to create two smaller spaces - ideal for a break-out space or a separate area for catering.

The Garden Restaurant

Our refurbished Garden Restaurant, adjacent to the house and close to the banqueting rooms, serves morning tea and coffee, a delicious selection of hot and cold lunches, cakes and Penshurst Place cream teas.

It is self-service and a licensed premises. Seating is available inside and outside on the terrace overlooking the house. This can provide the perfect break-out lunchtime space during the winter, when we are closed to the public. It seats 84.

Event Marquees

In the winter months, we are happy to offer the opportunity of a marquee within the grounds of Penshurst Place for events. Our marquees are particularly suitable for formal dinners, balls, banquets, parties and champagne receptions.

All marquees supplied are heated and carpeted, and are fully lined with ivory-swagging creating a luxurious backdrop. Up-lighters lining the marquee provide soft, atmospheric lighting for evening events. A dance-floor can also be laid, if required.

Marquee hire also includes use of the banqueting rooms; the candle-lit Baron's Hall for a drinks reception around the central hearth, the Buttery if a separate bar area is required and the Sunderland Room for dining.

Between mid-October and mid-May, a marquee can be supplied in our secluded Inner Courtyard.

A marquee in the Courtyard can seat up to 160 guests for dining and dancing and is connected to the Baron's Hall via a covered walkway. Between early November and mid-February, a marquee can be supplied on our South Lawn, over-looking the formal gardens, to seat up to 300 guests for dining.
